re: Louisville Air Supplement Ballots

Dear Sir and Brother,

Please be advised Local 89 UPS Air members are reporting the second set of ballots **do not contain** the Air Supplemental changes or the **third** ballot to vote on the Air Supplement. I have reviewed this personally to confirm. The letter stating there was a mistake with the first ballot and this was the replacement was included in the ballot package.

Our members are sufficiently confused at this point. I would suggest you stop the balloting in Louisville for the Air employees until the IBT can properly perform the simple task of sending a correct ballot to these members.

I will be looking forward to your response so we may immediately inform the membership.

Fraternally,

Fred Zuckerman
