UPS members must **VOTE YES** on all supplements and riders in order for us to receive the wage increases and improved benefits contained in the new master contract.

VOTE YES FOR NEW LANGUAGE PROTECTIONS

New language makes it easier to get on the 9.5 list and provides access to 9.5 penalty pay on the first week of the violation after going on the list.

New language sets guidelines for the size and weight of SurePost packages, puts more packages back on UPS trucks and protects our Teamster work.

New language prohibits the company from piling on work at the end of the week and allows the union to address inadequate staffing.
